1869

WAS A VERY SPECIAL YEAR!

And, in 1869, Alexander Vaughan founded the Vaughan Tool Company in Peoria, Illinois. In the 125 years since, through four generations, Vaughan has grown to become the world's largest manufacturer of striking tools. Alexander wouldn't recognize his company today. But he'd be pleased that we've maintained his dedication to quality.

We invite you to write for our catalog.
